

Fourth Year Worksheet

Department of Comparative Human Development

Due November 1, 2022

This worksheet is to help us coordinate with you to ensure that you are on track to complete your requirements over your final year of college.

Before completing the form, please ensure that you have:

- Read through requirements for the BA in the **CHDV Undergraduate Manual**.
- Obtained an **unofficial copy of your transcript** from My.UChicago.
- Reviewed the [list of CHDV courses planned for 2022-2023](#).

On the next page, you will be asked to identify what courses you have taken (or will take) to fulfill your requirements for the major. For courses that you have not taken but intend to take this academic year, please write the quarter and year in which you plan to take them.

Note: if you are planning to use a course that is not offered by the department and is not cross-listed with CHDV (meaning it does NOT have a CHDV course number - i.e., "CHDV XXXXX") to fulfill a methods or elective requirement, please place an asterisk (*) by the course and indicate the date when your petition was approved by the department in the section titled "Additional notes, thoughts, or concerns". If you have not yet filled out a petition for a class, past or present, please do so as soon as possible.

Once you have completed the worksheet:

- Save the document as "LASTNAME_FIRSTNAME worksheet.pdf".
- Send an email to humdev-preceptors@lists.uchicago.edu with the following files attached:
 - This worksheet
 - Your unofficial transcript
- This email is due by **November 1, 2022**.

Thank you for your time!

Before proceeding to the worksheet on the next page, please provide the following information:

Name:

Pronouns (optional):

Intended Quarter and Year of Graduation:

UChicago E-mail Address:

Please list the courses you have taken – or plan to take – to fulfill your requirements for the BA in CHDV below.

Core Courses

There are two required “core courses” for the major: Intro to Human Development (usually offered in Autumn) and Human Development Research Design (usually offered in Spring). Please note that student petitions to substitute either of these two courses will *not* be accepted.

Course #	Course Name	Quarter Taken	Year Taken
<i>EXAMPLE: CHDV20000</i>	<i>Intro to Human Development</i>	<i>Autumn</i>	<i>2020</i>
CHDV20000	Intro to Human Development		
CHDV20100	Human Development Research Design		

Methods Course

Students must complete one methods course for the major. Please see the list of approved methods courses [here](#).

Course #	Course Name	Quarter Taken	Year Taken

Elective Courses

Students must complete nine additional CHDV courses (or courses cross-listed with CHDV) to fulfill their requirements. Courses here must be listed with the CHDV course #. For students seeking Honors, CHDV29800 may count as one of their electives.

Course #	Course Name	Quarter Taken	Year Taken

Additional notes, thoughts, or concerns:

Please write anything else you think the preceptor needs to know about in the space below.

Thank you for completing this worksheet! After receiving and reviewing the worksheet and your transcript, we will follow up with you to confirm you are on track to fulfill your requirements.

Until then: have a wonderful autumn quarter!
