“The modern world needs people with a complex identity who are intellectually autonomous and prepared to cope with uncertainty; who are able to tolerate ambiguity and not be driven by fear into a rigid, single-solution approach to problems, who are rational, foresightful and who look for facts; who can draw inferences and can control their behavior in the light of foreseen consequences, who are altruistic and enjoy doing for others, and who understand social forces and trends.”

~Robert J. Havighurst
A special note of thanks from the 75th Faculty Organizing Committee to those who helped to facilitate this event!

Alumni Representatives:
Larry Gianinno
Susan Gianinno

Student Representatives:
Sanja Miklin
Erin Moore
Gabriel Velez

Trial Research Committee:
Amanda Brown
