## Department of Comparative Human Development Fourth Year Worksheet Due November 1

This form is to help us coordinate with you in order to ensure that you are on track to complete your requirements over your final year of college. Please fill out the attached worksheet. Save the document as "LASTNAME worksheet.pdf," and send it to [humdev-preceptors@lists.uchicago.edu](mailto:humdev-preceptors@lists.uchicago.edu) by November 1. Please also attach an unofficial transcript so we can verify degree completion progress.

For courses that you have not taken but intend to take this academic year, please note the quarter and year in which you intend to take them.

If you are planning to use a course that is not offered by the department and is not cross-listed with CHDV (meaning it does *NOT* have a CHDV course number - i.e., "CHDV XXXXX") to fulfill a methods or elective requirement, please place an asterisk (\*) by the course and indicate the date when your petition was approved by the department in the section titled "Additional notes, thoughts, or concerns". If you have not yet filled out a petition for a class, past or present, please do so as soon as possible.

For those seeking honors in the department, please be sure to fill out the Honors section of the worksheet.
